

FOR IMMEDIATE RELEASE

APPLICATIONS NOW BEING ACCEPTED FOR 2022 LIGHTFAIR INNOVATION AWARDS Deadline to apply is March 11

LAS VEGAS – January 11, 2022 – LightFair is now accepting applications for its 33rd annual LightFair Innovation Awards and invites exhibitors to submit innovative new products. Winners in 14 categories, plus three overall excellence awards for **Most Innovative Product of the Year**, **Technical Innovation** and **Design Excellence**, will be announced at LightFair 2022, June 19 – 23, at the Las Vegas Convention Center.

“The LightFair Innovation Awards have recognized the best-of-the-best in lighting for more than three decades,” said Dan Darby, show director. “Every year, LightFair exhibitors showcase incredible precision and design in their innovations that raise the bar for the next year, and we look forward to reviewing applications of what’s to come in June 2022.”

Exhibitors interested in applying to win a LightFair Innovation Award must submit new products launched between LightFair 2021 (October 30) and LightFair 2022. The 17 awards are:

- **Most Innovative Product of the Year** - the program’s highest award, recognizing the most innovative new product
- **Technical Innovation** - recognizing the most forward-thinking advancement in lighting technology
- **Design Excellence** - recognizing outstanding achievement in design
- **Non-Luminous:** Research, Publications, Lighting Software & Specialty Hardware
- **Lamps:** Conventional, Retrofit & Replacement
- **LED/OLED, Chips & Modules**
- **Ballasts, Transformers, Drivers, Systems & Kits**
- **Track, Display, Undercabinet & Shelf**
- **Recessed Downlights, Wall Washers & Multiples**
- **Indoor Decorative**
- **Parking, Roadway, & Area Luminaires**
- **Sports, Step, Landscape, Pool & Fountain Luminaires**
- **Control Components & Hardware**
- **Commercial Indoor:** Troffers, Suspended & Surface Mounted
- **Industrial, Disinfection, Vandal, Emergency & Exit**

- **Dynamic Color, Theatrical, Cove, Strips & Tape**
- **Control Enabling Technology, Connectivity & Software**

Submissions for the LightFair Innovation Awards are free, and available only to confirmed 2022 LightFair exhibitors. The number of entries allowed per company is based on booth size and every entry is given equal consideration. Award submissions must be received on or before March 11, 2022 at www.lightfair.com/lightfair-innovation-awards-submissions.

Judges for the 2022 LightFair Innovation Awards will be selected from lighting professionals – retailers, educators, designers and more – with membership in the Illuminating Engineering Society (IES) or the International Association of Lighting Designers (IALD).
